

Public Hearing for 2019 Budget

3520 Mammoth Creek Road

Wednesday, October 24, 2018 6pm

Brad Robbins	Chairman
Diane Adams	District Clerk
Charlie Duvall	Treasurer
Robert Shackelford	Member
Charles Hightower	Member

Chairman Robbins stated this is a public hearing to discuss the proposed budget for 2019 and he will turn that over to the District Clerk for a brief overview and then the Chief will say a few words. Then we will open the meeting for comments finally from the public and if the Board has any comments that will follow.

The District Clerk stated unless they want her to go over each and every line there is not much of a big difference in the budget for this year some monies were allocated a little different, but the budget is in balance and will be available for review after approval on Nov. 10th Board Meeting.

Chairman asked the Chief for his comments, then the Board for their comments and then the public. The Chief gave a report on the charges billed to McKay Leavitt for his medical attention received in personnel auto accident. Our charges are not out of line.

Board Members comments:

Charles Hightower wanted Diane to go over the snow amounts again. Explanation was given

.

Public comments:

Beth Bailey comments on the good work District Clerk did.

Jerry Triebold questioned the amounts of the snow and fire removal. Again District Clerk answered his questions.

Sally Shackelford asked about the money in Capital Improvement. Treasurer Duvall also asked.

Comments continued on all three stations.

Public Hearing is now closed.

Charles Duvall made the motion to adjourn and Charles Hightower seconded the motion
